RECOGNIZED.

Naked Truth Yoga Inc.® is the first and only Yoga College covering Safe Transfers© in the heat. Students will be certified to teach both in and out of a heated environment with all the tools to facilitate safe, fun and effective Barred & Band classes. The Naked Truth Yoga Inc.® Method will enable you to teach barre safely with special focus on alignment and functional movement, along with the learnings and understandings of ballet, yoga and fuse foundation in any yoga studio worldwide, allowing you to pursue your passion and make a professional career. We will dive into effective teaching methods, designed to give you the tools to provide an intense and conscious class. This is not just a course, it is a training where each student will be supported, challenged, engaged and respected.

In our one-of-a-kind Barred & Banded Teacher Training, you will learn our methodology that is rooted in the highest level of barre, fuse education and skill set. Giving you an in-depth understanding of foundation of ballet, alignment and Fuse Methodology.

We believe that continuing education is a mandatory component of success, thus we encourage all graduates to return to future trainings, free of charge, to stay current in methods and practice.

HOW IT WORKS

Our Barred and Banned Virtual training will be delivered via Thinkific, an online platform which will include all training lessons, information, private group communication chat, ability to book time with our lead instructors, tools & templates and Zoom meetings. The Training will be presented in 3 modules. These modules will include reading materials and short videos. You will have one week to complete each module and at the end of each week we will host 3 hour Zoom meetings which include practise session. For our virtual training, we understand that everyone learns differently. We are using a multimedia approach to learning that includes written, audio, and video lectures, assignments, online quizzes, regular live zoom meetings with the lead trainers, and more.
